**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Both as a resident and as a small business owner I am asking you to maintain competitive broadband access and telephone service. Over the years we have experienced the services of Comcast and AT&T and their lack of personal attention to their clients, sometimes resulting in periods of several days without service.business running. Like most businesses today if our internet is down we are dead in the water. As a smaller local firm Sonic has provided the prompt personal attention and lower overall cost that is critical to keeping my business productive.
